

Centerville School NEWSLETTER

April 26, 2019

BIKES FOR BOOKS -Hooray! The Masonic Lodge is sponsoring 2 bikes to Centerville students in their Bikes for Books Program. This great program promotes reading and a love for books. Students in grades 1-4 are getting set for exciting reading adventures where they earn tickets for reading. Before summer vacation, Masonic members will draw two lucky tickets and the winners will receive new bikes. Please join us in applauding the Masonic Members' generosity and commitment to education.

JUMP ROPE FOR HEART - Thank you to everyone who is participating in Heart Hero/Jump Rope for Heart through the American Heart Association! On May 3rd, at 1:30 PM, we will have a school wide jumping event! We are looking for volunteers who would be willing to bring sliced oranges, grapes, bananas and/or help set things out for jumping heart heroes. Please contact Chairperson, Mrs. Rolfe if you can help.

FIELD TRIPS -Centerville is fortunate to offer opportunities to enhance education and student experiences. The 7th graders recently traveled to Columbia Gorge Community College to attend a STEM (Science, Technology, Engineering, Math) event at the Gorge Technology Alliance career day. Last week our 3rd and 4th graders toured the AM Todd Mint Plant and the Goldendale Generating Station where they participated in various science labs and activities to further their knowledge of electricity. Next week students in 5th and 6th grades will learn about environmental impact and transformation of a former industrial site at the Nichols Natural Area in Hood River. Grades K-2 students will participate in agriculture awareness with hands-on and interactive learning activities at the FFA Ag Day in May.

TRACK - Tuesday, April 30, the track team will travel to Bickleton to compete. This is their third track meet and it will start at 3:30 PM. Tiger athletes are bringing home lots of ribbons and have made a personal best in several divisions. Congratulations, team!

BOX TOPS - Keep saving those Box Tops for Education! Collection information and contest coming soon!

REMINDER - Please remember State Assessments will be administered on **May 7, 9, 14, 16 and 17** for students in grades 3-8. It is very important for students to be in attendance on these dates.
