READING – Hooray, the mighty Tigers score again! The school goal of 1200 reading points was surpassed and rose to a total of 1286 points. Great job students! Spring reading month has been lots of fun towards promoting the enjoyment and success of reading. Appreciation is given to the PTC Boosters for their support in providing reading prizes to winning ticket holders of each classroom.

POSTER WINNERS – Congratulations to the winning poster illustrators: Noah Starr, Carlee Ready, Addy Lower, Matthew Gray, Caitlyn Jauken, Layne Bruhn, Jewlia Siglin, Nate Cosner, and Riley Bradley. As a part of our reading celebrations, every student designed and presented a Book Poster. 79 impressive posters were displayed for everyone in the school to vote for their favorite.

CONFERENCES – We thank all parents for attending conferences this week. Your involvement with your child's education is a huge indicator of their success at school. Please continue to look over and review their assignments, talk about the importance of learning, and applaud their academic endeavors.

CAN DRIVE – Save your aluminum cans! The Washington D.C. 4-H group is collecting cans to help fund their East Coast Trip. Can deliveries will be accepted at the school anytime after spring vacation.

SPRING VACATION – School will be closed next week for spring break and open again on April 8th. Enjoy the days with family and fun times!
