

Centerville School NEWSLETTER

May 17, 2019

BOX TOPS – The 5th and 6th graders were winners of yummy treats on week 1, bringing in 184 Box Tops! The total amount raised last week was \$41.60. Keep collecting Box Tops for Education to help support this easy PTC fundraiser. Funds are used to help support many of our school activities such as reading prizes, swim lessons, supplies for school picnic and graduation, and many other projects! May 24th will be the last day to turn in box tops for the spring contest.

TIGER ART – Next week brings some artistic fun with TIGER art classes! Our resident art instructor, Mrs. Armstrong, has some awesome creations planned. We are excited to begin projects on Tuesday. All completed art will be on display during the last week of school.

WORKSHOP & MEETING – Tuesday, May 28 there will be a School Board Workshop with important District information being presented. We will begin at 5:00 with a presentation from OSPI School Construction Assistance Program, Eastern Washington Regional Coordinator, John Heinley. He will be presenting data for our School Facilities Study & Survey that is being completed by Architects Northwest. This information will explain to the Board the funds that are available to our District for identified building and grounds needs. The second presentation is at 5:30 by Gavin Hottman, Chief Financial Officer for ESD 112, giving the status of Centerville's financial forecast for the upcoming year. Presentations are part of an open Workshop prior to the regular Board Meeting at 6:00. Please join us.

SWIM LESSONS – We are pleased to provide another great opportunity for students! Swim lessons will be offered to all students in kindergarten through 4th grade during the last week of May. Permission forms with information will be sent home on Monday.
