

Centerville School NEWSLETTER

May 3, 2019

STATE TESTING - Next Tuesday and Thursday students in grades 3-8 will be taking annually required state tests. This is an opportunity for students to demonstrate their academic knowledge and "soar to passing scores"! Attendance is extremely important to allow students the benefit of testing at the same time and setting as classmates. Please ensure students *arrive to school on time and well rested*. Testing will continue the following week on May 14, 16, and 17.

BOX TOPS - It's that time of year again for our Box Tops Collection Contest! This is a super easy fundraiser for the PTC, so we hope you've been saving those Box Tops for Education. The contest starts on Monday, May 6th and it will end Friday, May 24th. Students can turn in (unexpired) Box Tops to their classrooms (no soup labels please). At the end of each week we'll count the number of box tops collected and the class with the most will get a special treat on the following Monday! Spread the word, and let's earn some money for the PTC!

SUMMER SKILLS - With summer approaching it is time to plan for ways to continue children's learning and keep students tuned into reading. Please see the attached Summer Reading Skills flyer with information for fun and effective programs available to families.

DOUBLE ROUTES - Friday May 3, Monday May 6, and Tuesday May 7 buses will be running double routes in the afternoons. Your child could be to their stops either 30 minutes earlier or up to 20 minutes later. Call the office if your child will not be riding the afternoon on these days or if you have any questions.

SPECIAL DAYS - Many opportunities and special days are being coordinated for Centerville students. Information will continue to be sent home in school newsletters as events get closer, please contact the school if you have any questions.
